STATEMENT OF FACTS AND INVESTIGATION

During verification of the corporate and personnel records, the following facts were recorded.

Telecom subscriber verification confirms that the number +91-98XXX-11101 is registered to Madhav Kamat. Telecom subscriber verification confirms that the number +91-97XXX-22102 is registered to Alka Menon. Telecom subscriber verification confirms that the number +91-96XXX-33103 is registered to Ritesh Bhalerao. Telecom subscriber verification confirms that the number +91-89XXX-99113 is registered to Meera Joshi.

Corporate filings and board records identify Madhav Kamat as the controlling shareholder of Suryanagar Mobility Consortium. Company filings show Rehana Mirza serving as director of Harborline Transit Projects Pvt. Ltd.. Records establish an ownership or control connection between Neel Shah and Meridian Advisory Partners. Company filings show Rehana Mirza serving as director of Coastal Works & Materials.

Business registration records identify Farhan Qureshi as proprietor of Qureshi Fleet Solutions. Bank KYC records confirm that Suryanagar Mobility Consortium operates the account used by Suryanagar Current A/c. Bank KYC records confirm that Harborline Transit Projects Pvt. Ltd. operates the account used by Harborline Project A/c. Bank KYC records confirm that Meridian Advisory Partners operates the account used by Meridian Advisory A/c.

Bank KYC records confirm that Blue Meridian Finance operates the account used by Blue Meridian Bridge A/c. Consortium and board documents show Suryanagar Mobility Consortium exercising control over Harborline Transit Projects Pvt. Ltd.. Investigative records place Madhav Kamat in connection with Harborline Transit Projects Pvt. Ltd.; board instructions, power-of-attorney and approval emails. Investigative records place Harborline Transit Projects Pvt. Ltd. in connection with Kurla Depot; project contract and site records.

STATEMENT OF FACTS AND INVESTIGATION

The banking documents were then compared with the related transaction and vendor records.

Investigative records place Suryanagar Mobility Consortium in connection with Prabhadevi Consortium Office; registered office record. Investigative records place Qureshi Fleet Solutions in connection with Kurla Storage Yard; lease and inspection records. Investigative records place Coastal Works & Materials in connection with Chembur Materials Yard; stock-yard registration. On 2026-06-12, the records show Suryanagar Current A/c transferring Rs. 6,400,000 to Harborline Project A/c. The supporting record states that project advance labelled civil mobilisation with no corresponding work progress.

On 2026-06-15, the records show Harborline Project A/c transferring Rs. 2,950,000 to Meridian Advisory A/c. The supporting record states that consultancy invoice chain; value closely matches a same-week vendor advance. On 2026-06-17, the records show Meridian Advisory A/c transferring Rs. 1,800,000 to Blue Meridian Bridge A/c. The supporting record states that factoring movement dated two days after consultancy credit. On 2026-06-20, the records show Blue Meridian Bridge A/c transferring Rs. 1,150,000 to Settlement Ledger - West. The supporting record states that bridge account-funded-coded cash settlement. On 2026-06-21, the records show Settlement Ledger - West transferring Rs. 600,000 to Ritesh Bhalerao. The supporting record states that settlement ledger entry references political liaison code.

On 2026-06-22, the records show Settlement Ledger - West transferring Rs. 275,000 to Farhan Qureshi. The supporting record states that ledger entry matches fleet-staging payment. On 2026-06-23, the records show Blue Meridian Bridge A/c transferring Rs. 320,000 to Neel Shah. The supporting record states that consultancy settlement tied to nominee-document preparation. On 2026-06-25, the records show Harborline Project A/c transferring Rs. 1,680,000 to Coastal Works & Materials. The supporting record states that materials advance paid against inflated quantity schedule. Stores notes signed after movement of materials connect Coastal Works & Materials with inventory receipts for Santosh Patil.

Investigative records connect Santosh Patil with Kurla Depot; receipt notes and stock ledger entries. Investigative records connect Santosh Patil with MH-02-AX-7710; gate register and vehicle logs. Factoring records connect aggregate-haulage invoices between Vasai Aggregates & Haulage and Blue Meridian Finance. RTO records connect the vehicle with Vasai Aggregates & Haulage.

STATEMENT OF FACTS AND INVESTIGATION

The telecom, device and electronic records were examined with the witness material.

Approval emails and vendor correspondence place Rehana Mirza in control of billing raised by Coastal Works & Materials. Investigative records place Neel Shah in connection with Meridian Advisory Partners; signed invoice packages and document metadata. Reconciliation messages show Alka Menon coordinating invoice and treasury matters with Neel Shah. Visitor records and correspondence show Ritesh Bhalerao obtaining access to Western Civic Procurement Office during tender review.

Emails and tender comments show Ritesh Bhalerao coordinating documents with Meera Joshi. Retainer records show Meera Joshi acting as legal consultant to Western Civic Procurement Office. Meeting and call records show Madhav Kamat using Ritesh Bhalerao as a political and administrative liaison. Call timings indicate that Ritesh Bhalerao received procurement information from Alka Menon before formal release.

On 2026-07-14, call-detail records show +91-96XXX-33103 making 9 calls to +91-98XXX-11101. The timing is relevant because calls before two tender revisions and one inspection. On 2026-06-11, call-detail records show +91-98XXX-11101 making 17 calls to +91-97XXX-22102. The timing is relevant because call spikes before advances and land meetings. On 2026-06-20, call-detail records show +91-97XXX-22102 making 12 calls to Project burner 9B. The timing is relevant because treasury handset contacted project burner during payment windows. Investigative records place Project burner 9B in connection with Ishaan Desai; imei overlap and tower co-location.

Investigative records connect Ishaan Desai with MH-43-KQ-3204; toll and parking records. Investigative records place Ishaan Desai in connection with Kurla Storage Yard; cctv and device location. Field notes and route records place Ishaan Desai in the surveillance of Dr. Aarohi Sen. The victim's field notes identify Kurla Depot as a principal site in the investigation by Dr. Aarohi Sen.

STATEMENT OF FACTS AND INVESTIGATION

The vehicle, warehouse, tender and location records were subsequently correlated.

The victim's recovered report shows that Dr. Aarohi Sen was investigating Suryanagar Mobility Consortium. Recovered research files show that Dr. Aarohi Sen was examining invoices and activities connected with Harborline Transit Projects Pvt. Ltd. Vendor contracts show Kabir Sheikh working as a systems contractor for K-17 Systems Services. Investigative records place K-17 Systems Services in connection with Prabhadevi Consortium Office; it support records.

Remote-access records place Kabir Sheikh as administrator of the project burner used for Project burner 9B. Investigative records place Kabir Sheikh in connection with Blue Meridian Finance; service tickets for factoring platform. On 2026-07-02, the records show K-17 Systems Services paying Rs. 800,000 to Blue Meridian Bridge A/c; technology escrow payment later used to offset bridge facility. System logs show Kabir Sheikh sharing operational access with Santosh Patil in the warehouse environment.

The same credentials were observed in sessions associated with Santosh Patil and K-17 Systems Services, covering inventory and remote-administrator activity. Ticket history and calls place Alka Menon in coordination with Kabir Sheikh during a payment window. Factoring records show a financing relationship between Meridian Advisory Partners and Blue Meridian Finance. Purchase orders and billing records show an ongoing vendor dependency between Harborline Transit Projects Pvt. Ltd. and Coastal Works & Materials.

Employment records connect Farhan Qureshi with Qureshi Fleet Solutions. Investigative records connect Farhan Qureshi with MH-01-FE-6412; gps and gate records. Investigative records connect MH-01-FE-6412 with Kurla Depot; anpr at kurla depot. Investigative records place MH-01-FE-6412 in connection with Kurla Storage Yard; cctv and yard logs.

STATEMENT OF FACTS AND INVESTIGATION

The land and regulatory records disclosed the following further facts.

Field device locations and vehicle movements indicate that Ishaan Desai used MH-01-FE-6412 during surveillance. Records establish an ownership or control connection between Farhan Qureshi and MH-01-FE-6412. Investigative records connect Santosh Patil with MH-04-LP-2288; depot gate register and invoice dates. Investigative records place MH-04-LP-2288 in connection with Chembur Materials Yard; gps route and yard log.

Investigative records place Coastal Works & Materials in connection with Chembur Materials Yard; registered premises. Investigative records place Vasai Aggregates & Haulage in connection with Kurla Depot; delivery sheets and site records. Investigative records place Rehana Mirza in connection with Chembur Materials Yard; directorship and site inspection. Investigative records place Madhav Kamat in connection with Kurla Depot; chairman's site-visit logs and project approvals.

Investigative records place Ritesh Bhalerao in connection with Fort Tender Office; visitor logs. Investigative records place Meera Joshi in connection with Fort Tender Office; office attendance and tender file movement. Investigative records place Alka Menon in connection with Prabhadevi Consortium Office; treasury work records. Investigative records place Dr. Aarohi Sen in connection with Vile Parle Residence; search and recovery memo.

Encrypted messages show communication between Aniket Rao and Dr. Aarohi Sen concerning procurement records. Draft research material shows Aniket Rao investigating procurement activity involving Suryanagar Mobility Consortium. Protected-witness material indicates that Vikas Tiwari supplied Dr. Aarohi Sen with financial records used in the enquiry. Investigative records place Vikas Tiwari in connection with Meridian Advisory Partners; supplier reconciliation provided to victim.

STATEMENT OF FACTS AND INVESTIGATION

The victim's research material was compared with the documentary evidence.

Investigative records place Vikas Tiwari in connection with Harborline Transit Projects Pvt. Ltd.; project invoice ledger copied before resignation. The victim's research notes show that Aniket Rao was examining the tender history of Western Civic Procurement Office. Email records show documents moving between Meera Joshi and Ritesh Bhalerao; no direct proof of criminal intent is presently established. Calendared meetings and legal notices connect Meera Joshi with Madhav Kamat.

Board emails and approval trails show Madhav Kamat issuing instructions to Rehana Mirza in relation to project payments. Investigative records place Alka Menon in connection with Rehana Mirza; treasury instructions and invoice approvals. Investigative records place Farhan Qureshi in connection with Ishaan Desai; calls and shared vehicle staging. Investigative records place Farhan Qureshi in connection with Santosh Patil; dispatch register and yard logs.

Nominee and consultancy documentation was prepared jointly by Neel Shah and Rehana Mirza, according to recovered file metadata. Invoice support documents show Neel Shah providing consultancy services to Harborline Transit Projects Pvt. Ltd. Investigative records place Alka Menon in connection with Suryanagar Mobility Consortium; finance controller role and account approvals. Bank mandates and payment approvals show Madhav Kamat having authority over Suryanagar Current A/c.

Two coded entries in older financial material connect Rafiq Ansari with Itwari Settlement Office as an external settlement point. Current ledger references place Rafiq Ansari in coded settlement contact with Ritesh Bhalerao. Two settlement notes refer to a cash handoff between Rafiq Ansari and Farhan Qureshi.

Investigative records place Blue Meridian Finance in connection with Coastal Works & Materials; factoring documents finance coastal works invoices.

STATEMENT OF FACTS AND INVESTIGATION

During verification of the corporate and personnel records, the following facts were recorded.

On 2026-07-05, the records show Blue Meridian Bridge A/c transferring Rs. 750,000 to Suryanagar Current A/c. The supporting record states that partial reversal disguised as credit adjustment. On 2026-07-08, the records show Meridian Advisory A/c transferring Rs. 400,000 to Harborline Project A/c. The supporting record states that round-trip consultancy refund without deliverable. Investigative records place Madhav Kamat in connection with Ishaan Desai; meeting log and call timing; specific instruction remains disputed. Treasury records and vehicle-staging documents place Alka Menon and Farhan Qureshi on the same payment and logistics path.

Gate entries and project movement sheets connect Harborline Transit Projects Pvt. Ltd. with vehicle use at MH-01-FE-6412. Delivery notes place the vehicle from Coastal Works & Materials in use by MH-04-LP-2288. Investigative records place Blue Meridian Finance in connection with Settlement Ledger - West; bridge account statements connect to coded ledger. Monthly reporting emails show Neel Shah reporting invoice activity to Madhav Kamat.

The victim's material links Aniket Rao with Ritesh Bhalerao in relation to tender irregularities. The victim's notebook records information connecting Dr. Aarohi Sen with Ritesh Bhalerao in relation to the political side of the tender enquiry. Investigative records place Dr. Aarohi Sen in connection with Ishaan Desai; victim noted repeated presence of a field motorcycle and vehicle near depot meetings. Investigative records place Meera Joshi in connection with Meridian Advisory Partners; tender legal comments cross-reference meridian invoice documents.

Investigative records place Ritesh Bhalerao in connection with Harborline Transit Projects Pvt. Ltd.; meeting schedule and project correspondence. On 2026-07-11, the records show Rafiq Ansari paying Rs. 125,000 to Settlement Ledger - West; coded entry references current investigation by initials only. Forensic device examination attributes the rotating prepaid devices to Kabir Sheikh. On 2026-07-29, call-detail records show SIM cluster M-44 making 5 calls to Project burner 9B. The timing is relevant because prepaid devices exchanged calls during document-pickup window.

STATEMENT OF FACTS AND INVESTIGATION

The banking documents were then compared with the related transaction and vendor records.

CCTV and visitor records place Farhan Qureshi near Fort Tender Office during a tender-document collection. Office records show Neel Shah repeatedly submitting documents at Fort Tender Office. Investigative records connect Aniket Rao with Fort Tender Office; recovered draft report and copies of tender revisions. Investigative records connect Dr. Aarohi Sen with Fort Tender Office; notebook and building visitor register.

PERSONS WHO APPEAR IN SUPPORTING RECORDS

The identities of several peripheral persons were separately verified. Rafiq Abdul Ansari, phone +91-93XXX-60606, is identified as the proprietor of Ansari Bullion House and appears only at the edge of the present financial enquiry. Kabir Imran Sheikh, phone +91-95XXX-40404, is identified as a systems contractor connected with technical records. Vikas Mahesh Tiwari remains a protected records witness. Aniket Suresh Rao remains a protected procurement source. Their appearance in this case is peripheral and is not, by itself, treated as proof of participation in the principal offence.

These persons are mentioned because their statements, devices, documents or correspondence were examined against the wider record. Identity, contact details and the purpose for which each person appears in the documents are being verified separately.

CERTIFICATION

I certify that the information recorded in the foregoing FIR and continuation sheets was received and recorded for investigation of the death of Dr. Aarohi S. Sen and the connected offences disclosed during enquiry. The financial, telecom, digital, vehicle, tender, land and witness material referred to above is being preserved and examined. Further statements, forensic reports and expert opinions will be added to the case file as investigation progresses.
